

# Topic Exam Report

## UW Microbiology

**Student**

**Meeting Date**

The undersigned members of the Thesis Committee have examined the above-named student and recommend:

<input type="checkbox"/>	<b>Pass</b>
<input type="checkbox"/>	<b>Conditional Pass</b> - The committee requires the student to repeat some aspects of the examination or other remedial work, as follows:  - Conditions must be completed no later than _____ (date).
<input type="checkbox"/>	<b>Re-examine</b> - The committee requires the student to repeat the examination by _____ (date). - The committee recommends that the student be placed on Probation in the quarter following this meeting and until successful re-examination. Note that only one re-examination is allowed.
<input type="checkbox"/>	<b>Fail</b> - The committee recommends that the student be dropped from the program.

Warning and probation policies are here: <https://grad.uw.edu/policies/3-7-academic-performance-and-progress/>.

The chair of the Topic Exam Committee should summarize the discussion and the committee's recommendation, circulate for approval by the rest of the committee, and **submit to the GPA ([microgpa@uw.edu](mailto:microgpa@uw.edu)) within 2 weeks of the exam.**
