

# General Exam Report

## UW Microbiology

**Student**

**Meeting Date**

The undersigned members of the Thesis Committee have examined the above-named student and recommend:

<input type="checkbox"/>	<b>Pass</b>
<input type="checkbox"/>	<b>Re-examine</b> The committee recommends that the Dean of the Graduate School permit reexamination by _____ (date). Note that a maximum of two additional reexaminations are allowed. <a href="https://grad.uw.edu/policies/1-1-graduate-degree-requirements/">https://grad.uw.edu/policies/1-1-graduate-degree-requirements/</a> (policy 1.1.4.1)
<input type="checkbox"/>	<b>Fail</b> The committee recommends that the student be dropped from the program. Most students at this stage will have completed the requirements for a non-thesis Master's degree.

The chair of the General Exam should summarize the discussion and the committee's recommendation, circulate for approval by the rest of the committee, and ***submit to Dr Jason Smith within 2 weeks of the exam.***
