

Topic Exam Report

UW Microbiology

Student

Meeting Date

The undersigned members of the Thesis Committee have examined the above-named student and recommend:

<input type="checkbox"/>	Pass
<input type="checkbox"/>	Conditional Pass - The committee requires the student to repeat some aspects of the examination or other remedial work, as follows: - Conditions must be completed no later than _____ (date).
<input type="checkbox"/>	Re-examine - The committee requires the student to repeat the examination by _____ (date). - The committee recommends that the student be placed on Probation in the quarter following this meeting and until successful re-examination. Note that only one re-examination is allowed.
<input type="checkbox"/>	Fail - The committee recommends that the student be dropped from the program.

Warning and probation policies are here: <https://grad.uw.edu/policies/3-7-academic-performance-and-progress/>.

The chair of the Topic Exam Committee should summarize the discussion and the committee's recommendation, circulate for approval by the rest of the committee, and ***submit to Dr Jason Smith within 2 weeks of the exam.***
