

Topic Exam Report UW Microbiology

Student

Meeting Date

The undersigned members of the Thesis Committee have examined the above-named student and recommend:

	<p>Pass</p>
	<p>Conditional Pass - The committee requires the student to repeat some aspects of the examination or other remedial work, as follows:</p> <p style="text-align: center;">- Conditions must be completed no later than _____ (date).</p>
	<p>Re-examine - The committee requires the student to repeat the examination by _____ (date). - The committee recommends that the student be placed on Academic Alert in the quarter following this meeting and until successful re-examination. Note that only one re-examination is allowed.</p>
	<p>Fail - The committee recommends Academic Drop from the program.</p>

Academic Performance policies are here: <https://grad.uw.edu/policies/3-7-academic-performance-and-progress/>.

The chair of the Topic Exam Committee should summarize the discussion and the committee's recommendation, circulate for approval by the rest of the committee, and **submit to the GPA (microgpa@uw.edu) within 2 weeks of the exam.**

This form can be filled and signed electronically. Please submit to the GPA for completion with DocuSign.
